

# ISIS DISTRICT STATE HIGH SCHOOL

## Request for Special Education Services

Isis District State High school caters for our community of diverse learners via our Special Education Programme (SEP), located in C Block.

Our SEP caters for students with Special Education needs in the following areas:

- Intellectual Impairment
- Autistic Spectrum Disorders (ASD)
- Speech Language Impairment
- Physical Impairment
- Visual Impairment
- Hearing Impairment

Students with Special Education support needs at Isis District SHS may be supported through a range of strategies including: access the regular curriculum with their peers; teacher aide support; special education teacher support; adjustments and modifications; and small group lessons, dependent on individual student needs.

If your son/daughter has any special education needs, please complete the form below. Please do not hesitate to contact our Head of Special Education Services. 4192 1222 or email [principal@isisdistshs.eq.edu.au](mailto:principal@isisdistshs.eq.edu.au) for further information.
